ANG ANAK NG ARAW AT ANG ANINO NG SARILING KRUSADA

Matapang si Leandro Leviste kapag flood control ng ibang politiko ang inuusisa. May exposé, may dokumento, may press statement, may pose na parang siya ang huling matinong tao sa Republika.

Pero ngayong ang sarili niyang solar empire ang tinututukan ng ilaw, ibang kuwento na ang lumilitaw.

Hindi masama ang magbulgar ng katiwalian. Ang problema, hindi puwedeng gawing detergent ang anti-corruption crusade para labhan ang sarili mong record.

Noong 2019, binigyan ang Solar Para sa Bayan Corporation ng 25-year congressional franchise para magtayo at magpatakbo ng renewable-energy microgrids sa remote, unserved at underserved communities. Nonexclusive man ang franchise, malinaw ang kapalit ng pribilehiyo: magtayo ng pasilidad, magbigay ng maaasahang kuryente, at magsumite ng compliance reports. Hindi ito medalya para sa pagiging anak ng makapangyarihan. Public obligation ito.

Aug 05, 2026 08:29:40

facebook

pagiging anak ng makapangyarihan. Public obligation ito.

Pagdating ng Enero 2026, sinabi ng Department of Energy na umaabot sa ₱24 bilyon ang penalties at contractual obligations na hinahabol kaugnay ng mga hindi natupad na proyekto. Ayon sa DOE figures na iniulat ng media, humigit-kumulang 11,427 megawatts, o 64% ng terminated capacity sa crackdown, ang iniugnay sa Solar Philippines. Kinuwestiyon naman ng kumpanya ang liability nito.

At noong Hulyo 31, sinimulan ng Ombudsman ang preliminary investigation laban kina Leviste, Senador Loren Legarda at dating Energy Secretary Alfonso Cusi para sa posibleng graft at plunder complaints. Alegasyon ng Ombudsman, nakakuha ang network ng maraming solar contracts ngunit marami ang hindi nadevelop gaya ng ipinangako, na nagresulta umano sa mahigit ₱10.44 bilyong unpaid financial obligations sa gobyerno. Itinanggi ni Legarda ang paratang at sinabing false and baseless ito.

Hindi pa conviction ang preliminary investigation. Pero hindi rin ito simpleng Facebook chismis na puwedeng sagutin ng inspirational quote card. Formal government proceeding ito na nangangailangan ng dokumento, paliwanag at ebidensiya.

Aug 05, 2026 08:29:42

facebook

dokumento, paliwanag at ebidensiya.

At dito bumabagsak ang anti-corruption costume ni Leviste:

• Selective ang flashlight. Napakaliwanag kapag baho ng kalaban ang hinahanap, pero naka-power-saving mode kapag sariling negosyo ang kailangang ipaliwanag.

• Hindi sapat ang green branding. Malinis ang solar energy. Hindi awtomatikong malinis ang kontrata, corporate structure o political access ng negosyong gumagamit nito bilang logo.

• Hindi kasalanang maging anak ng senador. Pero public office is not family venture capital. Kapag ang anak ay nakakuha ng malaking government privilege habang makapangyarihan ang magulang sa lehislatura, lehitimong tanungin kung merit ba ang nagbukas ng pinto o apelyido ang may duplicate key. Iyan mismo ang isa sa mga alegasyong sinusuri ngayon ng Ombudsman.

• Ang whistleblowing ay hindi immunity card. Maaari kang magsiwalat ng totoong anomalya at maaari ka ring magkaroon ng sarili mong pananagutan. Hindi nabubura ng isang exposé ang kontratang hindi umano natupad. Hindi nababayaran ng press conference ang obligasyon sa bayan.

Aug 05, 2026 08:29:45

Ito ang bagong anyo ng political dynasty: hindi

Ito ang bagong anyo ng political dynasty: hindi lamang anak na minana ang pangalan at puwesto, kundi nepo-baby na ginawang personal branding agency ang public service. Epal kapag may camera, crusader kapag kalaban ang nasa dokumento, at biglang biktima kapag sariling record na ang binubuklat.

Ang tunay na reformer hindi namimili kung kaninong katiwalian ang dapat siyasatin. Hindi niya ginagamit ang baho ng ibang bahay para hindi mapansin ang usok sa sarili niyang bakuran.

Kaya simple lang ang hamon kay Leandro Leviste: ipagpatuloy mo ang paglalantad sa flood control corruption. Pero sabay mong sagutin, nang buo at may resibo, ang mga tanong tungkol sa sarili mong solar contracts.

Dahil sa public accountability, walang VIP lane para sa whistleblower, political heir o anak ng senador.

Hindi sapat ang maaraw na branding. Kapag bilyon ang tanong, kailangan ng liwanag, hindi ring light.

MAY NANG-HUDAS KAY BATO?

ICYMI: Cryptic social media posts from two prominent allies of Vice President Sara Duterte, coupled with the arrival of a private jet at Mactan-Cebu International Airport on Tuesday night (August 4) have ignited speculation that Senator Ronald Dela Rosa has been arrested.

The rumors gained momentum after lawyer Jimmy Bondoc posted on Facebook: "Bad news is coming."

Former presidential spokesperson Harry Roque, who is seeking asylum in the European Union, further fueled the intrigue with a cryptic Facebook post.

"Meron nga daw na nang-hudas kay Bato," Roque wrote, without elaborating.

Hindi umano nanonood nang live si Pangulong Bongbong Marcos ng mga laban ni Alex Eala dahil iniiwasan niyang mabati ang tennis star, ayon kay Palace Press Officer Claire Castro.

“Nung nakaraang araw ay tinanong ko kung pinanood niya ‘yung ibang laro ni [Alex Eala.] Usually, ayaw niyang manood ng live dahil mukhang meron daw yata siyang dalang hindi swerte kapag nanonood siya ng personal na laro,” saad niya nitong Martes.

Ayon kay Castro, kinikilala at sinusuportahan ng pangulo si Eala matapos nitong maiuwi ang kauna-unahang WTA title sa Mubadala DC Open.

Today, I pause to honor the life I've been given—the victories no one applauded, the tears no one saw, and the strength I discovered in my hardest moments. This year has taught me that even when life feels uncertain, I am stronger than I think and more resilient than I ever imagined.
There were days when I wanted to give up, but I didn't. I kept going, one step at a time. For that, I am proud of myself.
As I celebrate another year of life, I choose to let go of the pain, disa... **See more**

Strengthening Peace, Order, and Good Governance

Today, I presided over the Municipal Anti-Drug Abuse Council (MADAC) and Municipal Peace and Order Council (MPOC) Meeting, where we assessed the peace and order situation of our municipality and discussed strategies to further enhance the safety and security of every San Enriquenhon.

Through the updates presented by our law enforcement partners and the active participation of council members, we continue to strengthen our collaboration in addressing public safety concerns, preventing illegal drugs, and ensuring a peaceful and orderly community.

🚨WITNESS BINASAG ANG TALKING POINT NG DDS NA HINDI DAW FINAL ANG NOTICE OF DISALLOWANCE NG COA🚨

Si Ms Mangga **Senator Imee R. Marcos**, pinipilit yung point nya, mas magaling pa siya sa witness?

Simple lang naman, final and executory na yung order na COA na ibalik na yung pera!

Mahabaging Langit!

Pinipilit kasi ni Imee yuung DDS talking point na hindi pa naman daw final yung Notice of Disallowance, pero ang totoo, the Notice of Disallowance creates an obligation na to immediately restitute (meaning ibalik, para sa mga DDS jan).

Gusto palabasin ng mga DDS fanatics na ito na since hindi pa final, eh walang corruption at wala naman binulsa si VP Sara. Ang problema is, based on the findings of COA, na-establish na na may presumption of misappropriation, in layman's terms, ninakaw ang pera!

Witness: "There is a prima facie evidence na nagamit ang pera for personal use or benefit under the joint circular"

Sinabi rin ng witness na final na yung notice, ang pwede nalang i-appeal sa SC ay kung may grave abuse of discretion nalang, pero the money has to be returned already!!!

Maulan na nga, binubwisit pa tayo ni Imee ng ganito.

‘WALANG NANGYARING ATTACK’

Senator-judge Robin Padilla noted that dates of the Office of the Vice President’s confidential fund checks were close to the anniversaries of the Communist Party of the Philippines-New People’s Army (CPP-NPA) and National Democratic Front (NDF), saying no attacks occurred on the dates he cited. #VPonTrial

'KANINA KA PA, INAAWAY MO AKO LAGI.'

Brief tension rises as Senator-judge Imee Marcos presses COA auditor Roderick Wamil on who should be considered the accountable officer for confidential funds.

"Ang liwanag na hindi naman si Vice President ang payee, hindi naman sinabi na nasa kanya ang pera," Marcos says.

Marcos asks whether the Special Disbursing Officer is the accountable officer.

Wamil responds that the head of the agency also bears responsibility.

Marcos points out that the Joint Circular states that the accountable officer is the head of the agency or the person designated.

Wamil replies: "That is not entirely correct, Your Honor, because under the Joint Circular, it shall be the responsibility of the head of the agency, first, to approve the cash advance; second, to oversee the agency-wide utilization."

Marcos then remarks, "Mag-yes or no ka

CHURCH TRIVIA: MAJOR BASILICAS VS. MINOR BASILICAS... See more

2 TYPES OF BASILICAS:
Minor Basilica
Local bishops petition Rome for one of their churches to be named a minor basilica; the church must be proven to have extraordinary beauty with a rich history behind it to be given the title.
By Canon law no Catholic Church can be honoured with the title of minor basilica unless by apostolic grant or from immemorial custom.
Major Basilica
'Major Basilica' is a title given to the four highest- ranking Roman Catholic church buildings, all of which are also "Papal basilicas": the Arch Basilica of St. John Lateran, St. Peter's Basilica, the Basilica of St. Paul Outside the Walls, and the Basilica de Santa Maria Maggiore.
All of them are located within the diocese of Rome: St. Peter's Basilica is located in Vatican City and thus within the territory and sovereign jurisdiction of the Holy See.

At walang batas na nakasaad na hindi pwedeng gastusin ang CF ng 11 days! Tama??

Reply Message Hide

Nutribun Republic · Just now · Author
John Albert Nuñez Rosellosa tama ka sa isang makitid na punto: walang express provision na nagsasabing bawal gastusin ang ₱125 milyon sa loob ng 11 araw. Pero hindi iyan automatic acquittal card. Ang tunay na legal issue ay kung saan ginastos ang bawat piso, pasok ba iyon sa mga awtorisadong gamit ng confidential funds, at may sapat bang dokumentasyon at detalyadong accomplishment report na nagpapatunay na totoong confidential operations ang isinagawa.

Parang binigyan ka ng nanay mo ng buong buwang grocery budget at inubos mo sa isang araw. Hindi agad krimen ang bilis. Pero kapag karaoke machine ang inuwi mo imbes na bigas, hindi “11 days” ang pangunahing problema kundi ang maling pinaggamitan at kawalan ng matinong paliwanag.

At tandaan: hindi lahat ng hindi tahasang ipinagbabawal ay legal nang tama, administratively proper, o moral. Sa public funds, hindi sapat ang “wala namang nakasulat na bawal.” Kailangan ding patunayang awtorisado, necessary, documented at may napakinabangang bayan. Maraming bagay ang kasya sa loophole pero hindi kasya sa accountability, good governance at konsensiya.
